RE: Bandit "15" Federal #2 Well
S/2 of Section 15, T-20-S, R-33-E
Lea County, New Mexico

Dear Mr. Wright:

Samson Resources Company proposes to drill and complete the Bandit "15" Federal #2 Well to be located 1980' FSL and 1980' FEL of Section 15, T-20-S, R-33-E to a depth of 14,000' to test the Morrow formation. The estimated cost of this operation is \$3,596.780 as detailed more specifically in the attached AFE.

Enclosed please find Samson's proposed Joint Operating Agreement dated October 1, 2005 under which this proposal is made. Please review and execute said agreement if acceptable. Also please evidence your election to either participate in the well or not by marking the appropriate space below and returning one (1) copy of this letter to the letterhead address. Should you elect to participate, we also ask that you return a signed AFE and advise whether you desire Samson to carry Well Control Insurance for your account.

Please note that this well is not being proposed under that certain Joint Operating Agreement dated March 15, 1962 inasmuch as said JOA does not cover the entire spacing unit and would therefore be inappropriate to govern operations.

Samson would also be willing to acquire your interest on mutually agreeable terms, please contact the undersigned at (432) 570-9622 to discuss this further of if you have any questions regarding this well proposal.

Sincerely,
