Gentlemen:

Please find enclosed our AFE, Operating Agreement and Unit Agreement for the captioned unit. We will have to rat-hole four (4) of the expiring leases until the unit is approved which will add an additional cost of approximately \$20,000.00 - \$25,000.00. We will not be able to move in the rotary tool until we have final unit approval.

The pooling of the working interests as set out in Exhibit A to the JOA excludes all of Section 11 and the 80 acres of fee minerals in Sections 14 and 15, therefore the pooled interests covers 12,479.14 acres less 640 acres (Section 11) less 80 acres (fee minerals) or 11,759.14 acres.

There will be adjustments to the working interest percentages if EOG/Threshold do not join with their leases in Sections 28 and 29, and if some of the unleased mineral interests choose to participate.

If you wish to participate please execute and return the AFE and extra signature page to the Unit Agreement and Operating Agreement.

The OCD hearing for unit approval is January 5, 2006.

Return Receipt Requested

**Re: Pitney State Exploratory Unit  
Township 12 South, Range 35 East  
Lea County, New Mexico**

Dear Mr. Dickinson:

Please find enclosed our AFE, Operating Agreement and Unit Agreement for the captioned unit. We will have to rat-hole four (4) of the expiring leases until the unit is approved which will add an additional cost of approximately \$20,000.00 - \$25,000.00. We will not be able to move in the rotary tool until we have final unit approval.

The pooling of the working interests as set out in Exhibit A to the JOA excludes all of Section 11 and the 80 acres of fee minerals in Sections 14 and 15, therefore the pooled interests covers 12,479.14 acres less 640 acres (Section 11) less 80 acres (fee minerals) or 11,759.14 acres.

There will be adjustments to the working interest percentages if EOG/Threshold do not join with their leases in Sections 28 and 29, and if some of the unleased mineral interests choose to participate.

If you wish to participate please execute and return the AFE and extra signature page to the Unit Agreement and Operating Agreement.

The OCD hearing for unit approval is January 5, 2006.

Call me at 505-748-4351 if you would like to visit.

Very truly yours,

**YATES PETROLEUM CORPORATION**
