Re: Case No. 13523
Kellahin State 14-2; Plugging

Dear Mr. Ezeanyim:

The Division hereby requests that the above-referenced case be continued to the October 6, 2005 hearing docket. The reasons for this request are described in the attached e-mail

Should you have questions, please feel free to call the undersigned at (505)-476-3450.

Very truly yours,

Subject: RE:

David- I received written confirmation from Clay Spence this AM that they have a plugging contractor that will be able to plug the well by September 15, 2005. The plugging contractor is Basic Well Service. I believe we can continue the hearing until October. If the well is satisfactorily plugged by the end of September then the case can be dismissed. I will put the information into the compliance module.

Chris Williams
District 1 Supervisor
