BY THE DIVISION:

This case came on for hearing at 8:15 a.m. on June 25, 2015, at Santa Fe, New Mexico, before Examiner Michael A. McMillan.

NOW, on this 30th day of November, 2015, the Division Director, having considered the testimony, the record and the recommendations of the Examiner,

FINDS THAT:

(1) Due public notice has been given, and the Division has jurisdiction of this case and of the subject matter.

(2) Encana Oil & Gas (USA) Inc. ("Encana") has made application to amend Division Order No. R-13856 to expand the geographic area of the Nageezi Federal/State/Allotted Indian/Fee Exploratory ("Nageezi") Unit by two sections of land, expand the corresponding Nageezi Unit Hz Oil Pool (Pool Code 47540) to the expanded Unit boundaries, and confirm that horizontal wells may be located anywhere within the Unit provided that the completed interval is no closer than 330 feet from the outer boundary of the expanded Nageezi Unit area.

(3) Under Division Order No. R-13856 issued on July 1, 2014 in Case No. 15153, the Division approved the Nageezi Unit in the Mancos formation comprising 9135 acres, more or less, of federal, state, allotted Indian, and fee lands and created a new oil pool for horizontal wells within the Unit Area designated the Nageezi Unit Hz Oil Pool.

(4) The Nageezi Unit became effective on July 22, 2014 after final approval by the Bureau of Land Management ("BLM"), the Federal Indian Minerals Office ("FIMO"), and the State Land Office ("SLO").

(5) Encana personnel have met with land owners and have proposed expansion of the Unit with the addition of two (2) sections of land detailed below.

(6) The Unit Area for the expanded Nageezi Unit will consist of 10,415.12 acres, more or less, and will encompass the following lands in San Juan County, New Mexico:
