**Re: Application of Matador Production Company for administrative approval of unorthodox well location for its Janie Conner 13-24S-28E RB #207H well located in the S/2 of Section 14, Township 24 South, Range 28 East, N.M.P.M., Eddy County, New Mexico.**

Dear Mr. Catanach:

Matador Production Company (OGRID No. 228937) seeks administrative approval of an unorthodox well location for its Janie Conner 13-24S-28E RB #207H well (API No. pending) to be completed within the Northwest Pierce Crossing-Wolfcamp Gas Pool (Pool Code 96712) underlying the S/2 of Section 14, Township 24S, Range, 28E, Eddy County, New Mexico. Attached as **Exhibit A** is C-102 for the well. This is a horizontal well that will be drilled as follows:

**Janie Conner 13-24S-28E RB #207H**

- Surface Hole Location: 1728 feet from the South line and 330 feet from the East line of Section 14, Township 24 South, Range 28 East;
- First Perforation Point: 1650 feet from the South line and 330 feet from the West line of Section 13, Township 24 South, Range 28 East;
- Last Perforation Point: 1650 feet from the South line and 330 feet from the East line of Section 13; and
- Bottom Hole Location: 1650 feet from the South line and 240 feet from the East line of Section 13.

Matador Production Company is requesting this NSL in order to efficiently produce its interests in Section 13. This well is producing from the Northwest Pierce Crossing-Wolfcamp Gas Pool (Pool Code 96712). There are

no special pool rules for this pool, and thus the setback requirements under Rule 19.15.15.10(B) of 660' apply. As a result, the completed interval for this well is closer than 660' from the boundary of the project area. The unorthodox location will encroach towards the S/2 and the NE/4 of Section 14 and the S/2 and the NW/4 of Section 18, Township 24 South, Range 29 East. **Exhibit B** is list showing the surrounding ownership and the project area for the proposed Janie Conner 13-24S-28E RB #207H well in relation to adjoining units.

**Exhibit C** is a list of the parties affected by the encroachment. Each of these parties have been provided notice of this application by certified mail, return receipt requested, advising them that if they have any objection to this well, it must be filed with the New Mexico Oil Conservation Division within 20 days of the mailing of this notice. In addition, a copy of this application has also been provided to the New Mexico State Land Office.

Your attention to this matter is appreciated.

Sincerely,

  
Zoë E. Lees

**TO AFFECTED PARTIES**

**Re: Application of Matador Production Company for administrative approval of unorthodox well location for its Janie Conner 13-24S-28E RB #207H well located in the S/2 of Section 14, Township 24 South, Range 28 East, N.M.P.M., Eddy County, New Mexico.**

Ladies and Gentlemen:

Enclosed in this notice is a copy of the above referenced application filed with the New Mexico Conservation Division on this date. Any objections that you have to this application must be filed in writing with the New Mexico Oil Conservation Division, 1220 South St. Francis Drive, Santa Fe, New Mexico 87505, within twenty (20) days from the date the Division receives the above referenced application. If no objections are received within twenty days, this application may be administratively approved by the Division.

If you have any questions concerning this application, please contact:

Trey Goodwin, RPL  
Matador Production Company  
5400 LBJ Freeway, Suite 1500  
Dallas, TX 75240  
Phone: 972-371-5430

If you have no objection to this application, please sign the waiver as indicated below and return the original. Your assistance and cooperation in this matter are appreciated.

Sincerely,

Zoë E. Lees
