Mr. Lowe,

Attached are signed waivers that Matador has received in reference to its NSL applications for the Janie Conner 13-24S-28E from (1) Guardian Operating Corp., and (2) RSC Resources, LP by its General Partner Cogent Energy, Inc. These waivers resolve all of the objections to these two NSL applications. Currently, these applications are set for hearing on April 14, 2016. Could you please confirm that a hearing in Case Nos. 15460 and 15461 is no longer necessary since executed waiver have been obtained from the protesting parties.

Thank you,
Jennifer Bradfute

Ms. Davidson:

Matador would like to have a hearing set on several NSL applications that it filed administratively with Leonard Lowe. These applications were for the following wells:

Janie Conner 13-24S-28E RB 207H

Janie Conner 13-24S-28E RB 226H

Tiger 14-24S-28E RB # 203H

Tiger 14-24S-28E RB # 207H

Tiger 14-24S-28E RB # 223H

Tiger 14-24S-28E, RB # 227H

Since these applications were filed administratively, we do not file a hearing application with the Division, pursuant to Rule 19.15.4.12(E). Could you please set these applications for hearing on the March 17th docket?

Mr. Lowe,

Matador Production Company would like to have its NSL applications for the Janie Conner 13-24S-28E RB 207H and 226H set for hearing. My understanding is that Matador is not required to do anything further in order to have this matter set for hearing. Please see Rule 19.15.4.12(E) NMAC. However, please let me know if you need anything else from me.

If possible, Matador would also like to consolidate these two applications to be heard at the same time.

Thank you,
Jennifer Bradfute

Mr. Lowe,

RSC Resources, L.P. and Guardian Operating Corp., as affected parties, hereby object to the applications for administrative approval of unorthodox well locations by Matador Production Company for the following wells:

Janie Conner 13-24S-28E RB #207H,
Janie Conner 13-24S-28E RB #226H

I also believe the notice parties listed is not complete because Matador, as Operator of the adjoining spacing unit in S2 14 is supposed to notice the working interest owners affected since they are not common in ownership.
