Scott:

You don't have to file any additional submissions. I'm assuming you will be at the next hearing and the examiner can ask you verbally during the changes to the docket. Your choice of what you want to do. Thanks. PRG

It is. I was unaware the waiver had been delivered at the time I filed our prehearing statement. I will file something for the record withdrawing that.

Leonard received these waivers for the NSL application of Case No. 15486. I also received, on the same day, an entry-of-appearance and pre-hearing statement for the same case on behalf of the same parties. Leonard has reviewed the waivers and has advised us that they make the issuance of a NSL administrative order possible. I wish to confirm that Matador's request for dismissal of the case is agreeable with your clients. Thanks. PRG

Subject: Case No. 15486

Mr. Lowe,

RSC Resources, Cogent Energy and Guardian Operating have waived their objection to the NSL application at issue in Case No. 15486. Provided that this waiver is sufficient, Matador would like to dismiss this case and have its application administratively approved. My records indicate that no other parties have filed a protest to this application. Please let me know if you need anything else, or if you have any questions. This case is listed on the April 28, 2016 docket.

Thank you,
Jennifer Bradfute
