Ladies and Gentlemen:

This one got by me without a response. Having talked with Mewbourne personnel on other matters, I was informed that they will not be at hearing tomorrow. This reminded me of my delinquency in responding to the e-mail. The case will be continued to the May 26th docket which will be the second continuance for the case. Hopefully, this has not inconvenienced anyone. PRG

On behalf of the Applicant, we request that the hearing in this matter be continued to the May 26, 2016 examiner hearing docket.

There is also a possibility that it may be necessary to continue the case beyond May 26th. As we get closer to that date, we will advise.

Thank You.

Scott
