RE: Pooling Agreement – Clydesdale 1 Fee #7H
S ½ of the S ½ of Section 1
T19S, R25E, Eddy County, New Mexico

Dear Ms. Herrstrom,

COG Operating LLC (“COG”) plans to spud the subject horizontal Yeso well on or before July 1, 2016. To allocate production for payment of revenue, COG is required to file a Pooling Agreement covering the spacing unit of the well.

COG must obtain your approval, as a non-participating royalty interest owner, to pool your interest. COG will apply to the New Mexico Oil Conservation Division for compulsory pooling for the proposed well. If we do not receive your approval within 30 days of the date of this letter your interest will be named in the application.

Enclosed is a copy of the Pooling Agreement for the subject well. Please signify your approval by signing where noted and returning a copy to the undersigned. If you have any questions or require further information, please call 432-685-4354.

Yours truly,

COG Operating LLC
