Attn: Mr. Joe Harris  
Re: 2016 Plan of Development  
Outland Unit  
Lea County, New Mexico

Dear Mr. Harris:

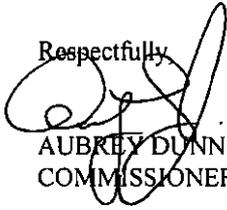

The Commissioner of Public Lands has, of this date, approved the referenced Plan of Development. Our approval is subject to like approval by all other appropriate agencies. The possibility of drainage by wells outside the unit area, and the need for further development of the unit may exist; therefore, we may contact you at a later date regarding these possibilities.

In your future Plans of Development we are requiring that you submit a map illustrating both the current and proposed unit infrastructure of wells, injection facilities, tank batteries, roads, and gathering systems.

In your 2017 Plan of Development, please include a review of the Bone Spring horizontal potential of the unit area.

If you have any questions, or if we may be of further help, please contact Pete Martinez at (505)-827-5791.

Respectfully,

  
AUBREY DUNN  
COMMISSIONER OF PUBLIC LANDS
