Mindy – this is in response to the below emails – Nearburg’s March and May 2015 JIB.

The credit of net \$320.00 on the May JIB against our prospect P1050 Cottonwood Draw North is reversing the May 2014 rental charge in which COG paid on their check #37682 dated 7/2014 – thus credit is due COG. We discovered that COG did not have an interest in these leases.

The charges against the prospect P1013 Cottonwood Draw in the amount of net \$855.08 on the March and May JIB’s are due and payable by COG. We farmed out these leases to COG (successor in interest to Marbob), and the terms of each farm out agreement allows for the reimbursement to us as long as the agreements are in effect. COG has paid the previous rentals on these leases. I’m attaching the Legal Descriptions for these leases.

Based on the above your total March and May 2015 JIB’s are legitimate and payable. We would appreciate COG’s remittance as soon as possible. If there are any further questions, please let me know.

Thanks,  
Carolyn McIver

Hi Carol,

I got a reply from the approver in the land department and she stated that we never had any leases set up in this prospect and did not convert any from Three Rivers Please let me know if you need contact information for the land department if this does not sound correct. If you need anything else please let me know

Thank you
