---

We are looking into this. This term assignment affects multiple wells so they are being addressed all at the same time.

Savannah! The SRO #43H is the one with the term assignment. I have been in contact with Kim Crandell and they are waiting on us to decide what we are going to do about the term assignment before they send the CA back signed.

Ms. Fieseler,

I hope you are doing well. Can you please give me an update on the Comm Agreement for the SRO State Com #43H? Nearburg was sent a copy of this Communitization Agreement on 7/9/14. Please let me know if you have any questions. Thanks so much!
