**Attachments:** Nearburg Correction Term Asmt.docx

Brent informed me that Nearburg has verbally said they will sign the above attached Term Assignment, however they are still working out details on how their ORRI will be calculated. When you send this to Stephanie, CC Brent and have her contact him with any Nearburg questions.

Amanda:

Here is the correction that Nearburg has agreed to, but hasn't executed yet. We need to sort out how their retained ORR is going to be calculated before they are going to sign.
