Re: Thistle Unit
Lea County, New Mexico
Date Correction for Bone Spring Participating Area

Dear Ms. Glass:

We are in receipt of your letter of June 16, 2017 in which you requested a change in effective date for Thistle Unit's Bone Spring Participating Area, Lea County, New Mexico.

We have examined your included documentation and agree that the completion date for the Thistle Unit #43H, one of the wells supporting the formation of the Bone Spring Participating Area, is April 19, 2013. This date is confirmed by New Mexico Oil Conservation Division data. We, therefore, amend the effective date for the Bone Spring Participating Area from June 7, 2013 to April 19, 2013.

Our approval is subject to like approval by all relevant agencies.

If you have any questions or if we may be of further assistance, please contact Units Manager Marilyn Gruebel at 505.827.5791.

Respectfully,

A handwritten signature in dark ink, appearing to be "A. Dunn", is written over the printed name and title.
