MOTION FOR CONTINUANCE

Caza Petroleum, Inc. ("Caza"), through its undersigned counsel, moves that the hearing on the referenced Application be continued to the January 11, 2018 Examiner Hearing Docket. In support, Caza states that it is an interest owner in certain of the acreage to be included in the non-standard spacing and proration unit proposed by Applicant, Matador Production Company.

Due to witness unavailability for the hearing presently set for December 21, 2017, Caza seeks to have this matter heard on January 11, 2018.

Counsel for Matador opposes a continuance.

WHEREFORE, Caza Petroleum, Inc. requests that the Division enter its order continuing the hearing on Matador's Application to January 11, 2018.

Respectfully submitted,

MONTGOMERY & ANDREWS, P.A.
