RE: 2017 Plan of Development
Jackson Unit
Lea County, NM

Dear Ms. Rushing:

The New Mexico Commissioner of Public Lands has this date approved the referenced Plan of Development. Our approval is subject to like approval by all relevant agencies.

We may contact you at a later date regarding the following:

- The possibility of drainage by wells outside the unit area, and
- A need for further development of the unit.

Your 2018 Plan of Development should include a map that illustrates both current and planned infrastructure for the unit: well locations, tank batteries, gathering systems, and any other facilities that may impact the surface of New Mexico State Trust lands.

If you have any questions or if we may be of further assistance, please contact Units Manager Marilyn Gruebel at 505.827.5791.

Respectfully,

A handwritten signature in black ink, appearing to read "Aubrey Dunn", is written over the typed name.
