Dear Bill:

Please note the enclosed Form C-110 approved January 14, 1954 submitted by Mr. Rouben F. Madsen of El Paso, Texas, indicating change of Ownership from Stanley L. Jones, covering the North- State #1 Well in NW SW NE of section 23-123-27E, Artesia Pool, Eddy County, New Mexico.

Also the designation of C.S. Powell as Agent to carry on the operation of said well for Mr. Madsen. The Madsen One Well Bond was approved January 8, 1954.

When Mr. Powell completes the remedial work on the well, which he has now started, he will file another Form C-110 designating the Transporter and also a letter to Mr. Potter requesting an allowable assignment.

Perhaps you will want to refer back to my letter and summary of the Stanley L. Jones wells, under date of March 13, 1953 and strike out this well.

Yours very truly,

Oil Conservation Commission
