Dear Sir or Madam:

Pursuant to Section 11(a) of the above referenced Unit Agreement, approved November 7, 1952, **CONOCOPHILLIPS**, as **Unit Operator**, has determined that the attached wells are capable of producing unitized substances in paying quantities from the Fruitland Coal formation, thereby should be admitted to the Fruitland Coal Participating Area. Pursuant to BLM letter dated December 14, 2005, attached is a list of the wells that have been deemed commercial.

The Cat Draw Com #101, determined to be a paying well by the BLM December 14, 2005, was completed July 7th, 2000, prior to the February 1, 2001 effective date of the San Juan 30-5 Unit, 32nd Fruitland Coal Expansion. Therefore, it is required that a revision be submitted to the BLM to include the committed lands in the San Juan 30-5 Unit, Fruitland Coal Participating Area.

Revisions to the previously approved 32nd – 34th expansions, and schedules for the 35th – 37th expansions are included herewith. The expansion schedules describe the participating areas and show the percentage of unitized substances allocated to each unit tract.

ConocoPhillips would appreciate consideration of these Expansions by written response. Please contact the undersigned at (505) 599-4030 if there are any questions regarding this matter. Copies of this letter and attachments are being furnished to the working interest owners on the attached list.

Sincerely,

Dawn Howell
