Re: 2004 Plan of Development  
San Juan 32-9 Unit  
San Juan County, New Mexico

Dear Ms. Dean:

The Commissioner of Public Lands has, of this date, approved the above-captioned Plan of Development. Our approval is subject to like approval by all other appropriate agencies.

The possibility of drainage by wells outside of the unit area and the need for further development of the unit may exist. You may be contacted at a later date regarding these possibilities.

If you have any questions or if we may be of further help, please contact Pete Martinez at (505) 827-5791.

Very truly yours,

Dear Ms. Wimsatt:

Thank you for your letter of August 17, 2005, together with data that supports your commercial re-determination regarding the San Juan 32-9 Unit Well No. 241 located in the W/2 of Section 13, Township 32 North, Range 9 West.

The well was previously determined to be non-commercial by the Bureau of Land Management (BLM) on October 17, 2005. By their letter of August 30, 2005, the BLM advised this office that they have concurred with your re-determination for the above-mentioned well.

The Commissioner of Public Lands concurs with this re-determination that the Well No. 241 is capable of producing unitized substances in paying quantities from the Fruitland Coal formation and should now be included in the Fruitland Coal Participating Area.

If you have any questions or if we may be of further help, please contact Pete Martinez at (505) 827-5791.
