Hon. Richard Ezeanyim
Hearing Officer
New Mexico Oil Conservation Division

Re: Case No. 13711

Application of the Division to Require Tempo Energy, Inc. to Plug One Well, Etc.

Dear Mr. Ezeanyim:

In view of the issues raised in respondent's Pre-Hearing Statement, the Division hereby requests a further continuance of this case, so that it can further investigate these issues. Counsel for respondent has advised that respondent does not object to the requested continuance.

We accordingly request a continuance to the August 3 docket.

Should you have questions, please feel free to call the undersigned at (505)-476-3450.

Very truly yours,

David K. Brooks,
Assistant General Counsel
