Dear Mr. Farris:

By their letter of December 19, 2006 the Bureau of Land Management advised this office of their approval of the Initial Atoka Participating area for the Laguna Deep Unit.

The Commissioner of Public Lands concurs with the Bureau of Land Management and has this date also approved the Initial Atoka Participating Area effective October 10, 2003. The initial Atoka Participating area is described as the W/2 of Section 36, Township 19 South, Range 33 East.

Please submit acceptable evidence to this office concerning the name change of Gruy Petroleum Management Co. to Cimarex Energy Co. of Colorado.

If you have any questions or if we may be of further help, please contact Pete Martinez at (505) 827-5791.

Very truly yours,
