**Case No. 13042, Application of EnerQuest Resources, LLC, *de novo***

Gentlemen,

The Commission members have requested that copies of each exhibit which is to be offered during the hearing of this matter be provided to the Commission Secretary no later than Monday, September 8 at 5:00 P.M. If an agreed continuance results in the matter being set in a subsequent month, exhibits should be submitted no later than one week prior to the re-scheduled hearing.

It would also helpful if you could provide detailed statements of your positions in the pre-hearing statement.

The Commission members believe that review of detailed pre-hearing statements and the documentary evidence to be offered will help them to be better prepared for the issues and testimony. As always, if you have any questions, please do not hesitate to give me a call at 476-3450.

Very truly yours,

David K. Brooks  
Assistant General Counsel
