RE: Arco Federal No. 2 Well  
W/2, Section 20-T21S-R26E  
Eddy County, New Mexico

Dear Brett:

Please be advised that our records do not indicate any ownership in the referenced well or lands. Chevron, as the successor to the interest of EM Nominee Partnership, Hallwood Energy Partners, L.P. and Pure Resources, L.P., does not therefore claim any interest in such lands or well.

In addition, I was unable to find a copy in our records of the Stock Option Purchase Agreement dated 2/14/1984 between Tenneco and Energy Methods Corporation. Should you wish to discuss this matter further please contact me at (832) 854-6620 or at larrylafleur@chevron.com.

Yours very truly,
