1           WHEREUPON, the following proceedings were had at  
2 3:00 p.m.:

3           EXAMINER BROOKS: Call Case Number 13,855, the  
4 Application of Myco Industries, Inc., for compulsory  
5 pooling, Chaves County, New Mexico.

6           Call for appearances.

7           MR. BRUCE: Mr. Examiner, Jim Bruce of Santa Fe,  
8 representing the Applicant. I am again submitting this by  
9 affidavit.

10          MS. MUNDS-DRY: Mr. Examiner, Ocean Munds-Dry  
11 with the law firm of Holland and Hart, again representing  
12 Spiral, Incorporated.

13          MR. BRUCE: I did sign this affidavit.

14          EXAMINER BROOKS: Okay, good. Appreciate it.

15          MR. BRUCE: Mr. Examiner, this is a similar case  
16 to the last one. It's in an adjoining section of land.  
17 Myco seeks to force pool the south half of Section 33, 15  
18 South, 25 East, in the Wolfcamp formation for a horizontal  
19 well.

20          Everything is pretty much similar to the last  
21 case. There are fewer working interest owners in this  
22 particular well unit. Two of them are locatable, NRLL,  
23 Inc., and the Trustee of the Estate of Elaine B. Flint, and  
24 then there are a few unlocatables.

25          In this particular case you can see maybe three-

1 quarters -- less than a percent of the working interest is  
2 being pooled.

3 EXAMINER BROOKS: Now these -- you said some of  
4 these are unlocatable?

5 MR. BRUCE: If you look at Exhibit B, attached to  
6 Exhibit Number 1 -- I think I'm going to have to start  
7 using "attachment" rather than "exhibit" -- it lists five  
8 people, or five couples, I guess --

9 EXAMINER BROOKS: Yeah.

10 MR. BRUCE: -- who own extremely small interests,  
11 who are being force pooled.

12 EXAMINER BROOKS: And which -- the ones that say  
13 "address unknown" are the ones that are unlocatable?

14 MR. BRUCE: Unlocatable.

15 Submitted as Exhibit 2 is my affidavit of notice,  
16 and NRLL and Elaine B. Flint, Trustee, did receive notice.  
17 I also notified Timothy Bayer, but they have come to terms,  
18 Myco has come to terms with them.

19 And then again, Exhibit 3 is the affidavit of  
20 publication in the Roswell newspaper, and the unlocatables  
21 are listed in there. And again, I overpublished.

22 EXAMINER BROOKS: Okay. And again, you're asking  
23 to pool only the Wolfcamp formation?

24 MR. BRUCE: Only the Wolfcamp formation.

25 EXAMINER BROOKS: Very good.

1 MR. BRUCE: And I would move the admission of  
2 Exhibits 1 through 3.

3 EXAMINER BROOKS: Exhibits Number 1 through 3 are  
4 admitted, and Case Number 13,855 will be taken under  
5 advisement.

6 And we do not have a nomenclature application  
7 today, so Docket Number 03-07 is adjourned.

8 (Thereupon, these proceedings were concluded at  
9 3:03 p.m.)
