Re: Case No. 13838/Order No. R-12703 (Samson Resources Company)

Dear Mr. Fesmire:

The above order requires the operator to commence drilling the well by April 30th. Samson has built location but is awaiting a drilling rig, which should be there within the next couple weeks. Therefore, Samson requests an extra month (to May 31, 2007) to commence drilling.

Very truly yours,

James Bruce

Attorney for Samson Resources Company
