Re: Case No. 13703/Order No. R-12566 (Pride Energy Co.)
Inbc 13 Well No. 1

Dear Mr. Fesmire:

Pride has received prior extensions to complete the above well, to May 10th. Pride has drilled the well to total depth, and is in the process of completing the well, although it was slowed down by repairs which needed to be made to the wellhead. The well was acidized yesterday, but completion will not be accomplished by May 10th. Therefore, Pride requests an extra 1 month (to June 10, 2007) to complete the well.

Very truly yours,

James Bruce

Attorney for Pride Energy Co.
