Subject: Case 13920

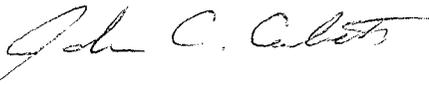

Dear Ms. MacQuesten:

Northstar Oil and Gas Corp. is in receipt of your letter dated April 26 regarding the referenced enforcement hearing. As we discussed the letter was received on May 8, 2007.

Since receipt of your letter Northstar has been working with contractors in San Juan County, NM regarding the plugging and abandonment of the two wellbores in question. As we further discussed, it is not the intent of Northstar to contest the responsibility for this work. The purpose of this letter is to request that the subject case be continued until June 21, 2007 to allow additional time for both gathering bids and scheduling the work that is to be done.

Thank you for your consideration of this matter. Please do not hesitate to contact me at (412) 352-3787, which is my cellular phone, should you need anything from me.

Thank you,  
Northstar Oil and Gas

John C. Corbett  
President
