Re: Designation of Successor Unit Operator
Pearsall Queen Sand Unit
Eddy County, New Mexico

Dear Mr. Robertson:

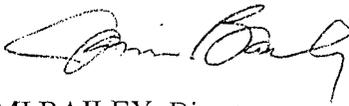

We have been notified that Concho is operating the Pearsall Queen Sand Unit, Eddy County, New Mexico. Our records reflect that Mack Energy Corporation is still the operator of record for this unit. Since a change of operator has not been approved by this office, Concho is operating the Pearsall Queen Sand Unit without authority.

In view of the above, please submit within (30) days, a resignation from Mack Energy Corporation and the designation of Concho as successor unit operator to this office for approval. Concho must also accept the duties and responsibilities as the successor unit operator in writing.

If you have any questions or if we may be of further help, please contact Pete Martinez at (505) 827-5791.

Very truly yours,

PATRICK H. LYONS
