APPLICATION OF THE NEW MEXICO OIL CONSERVATION DIVISION, THROUGH THE ENFORCEMENT AND COMPLIANCE MANAGER, FOR A COMPLIANCE ORDER AGAINST TOM R. CASE NO. **14076**

APPLICATION FOR COMPLIANCE ORDER AGAINST TOM R. CONE

1. Tom R. Cone (hereinafter, "Operator") is a sole proprietor operating wells in New Mexico under OGRID 188152.

2. Operator is the operator of record of the following subject wells:

- Donnelly Pan American No. 001Y; 30-015-05739; G-5-19S-31E
- Federal 18 No. 002; 30-015-10228; K-18-19S-31E
- Federal 18 No. 004; 30-015-20226; G-18-19S-31E
- North Shugart Queen Unit No. 011; 30-015-05600; N-21-18S-31E

3. The subject wells are federal wells. Operators of federal wells within New Mexico are generally not required to post financial assurance to secure the plugging of these wells. While Operator has not posted financial assurance on most of his federal wells to secure their plugging, he has posted a five thousand dollars (\$5,000.00) letter of credit (CSB 189) on the North Shugart Queen Unit No. 011 well, through Corner Stone Bank, in Southwest City, Missouri.

4. OCD Rule 19.15.4.201 NMAC requires the operator of a well which has been continuously inactive for a period of one year and 90 days to plug and abandon the well or place the well on OCD-approved temporary abandonment status.

5. NMSA 1978, Section 70-2-12(B)(18) and NMSA 1978, Section 70-2-38 authorize the Division to plug and abandon wells, and restore and remediate the location of abandoned wells.

6. OCD Rule 19.15.3.101(H) NMAC authorizes the Director to order the Operator to plug and abandon any well not in compliance with OCD Rule 19.15.4.201 NMAC and restore and remediate the location by a date certain.

7. The subject wells have had no reported production or injection for a continuous period exceeding one year plus 90 days, and are neither plugged and abandoned in accord with OCD Rule 19.15.4.202 NMAC nor on approved temporary abandonment status in accord with OCD Rule 19.15.4.203 NMAC.

WHEREFORE, the Enforcement and Compliance Manager of the Division hereby applies to the Director to enter an Order:

- A. Finding Operator in non-compliance with 19.15.4.201 NMAC;
- B. Requiring Operator to return to compliance with 19.15.4.201 NMAC by a date certain;
- C. Requiring Operator to plug and abandon the subject wells by a date certain if Operator fails to return to compliance with 19.15.4.201 NMAC by a date certain;
- D. In the event of Operator's non-compliance, declaring the wells abandoned and authorizing the Division to plug and abandon the subject wells;

E. For such other and further relief as the Director deems just and proper under the circumstances.

RESPECTFULLY SUBMITTED.

19.15.14.1211 PLEADINGS, COPIES, PRE-HEARING STATEMENTS, EXHIBITS AND MOTIONS FOR CONTINUANCE:

A. Pleadings. Applicants shall file two sets of pleadings and correspondence in cases pending before a division examiner with the division clerk and six sets of pleadings and correspondence in cases pending before the commission with the commission clerk. For cases pending before the commission, the commission clerk shall disseminate copies of pleadings and correspondence to the commission members. The party filing the pleading or correspondence shall at the same time serve a copy of the pleading or correspondence upon each party who has entered an appearance in the case on or prior to the business day immediately preceding the date when the party files the pleading or correspondence with the division or the commission clerk, as applicable. Parties shall accomplish service by hand delivery or transmission by facsimile or electronic mail to any party who has entered an appearance or, if the party is represented, the party's attorney of record. Service upon a party who has not filed a pleading containing a facsimile number or e-mail address may be made by ordinary first class mail. Parties shall be deemed to have made an appearance when they have either sent a letter regarding the case to the division or commission clerk or made an in person appearance at any hearing before the commission or before a division examiner. A written appearance, however, shall not be complete until the appearing party has provided notice to other parties of record. Any initial pleading or written entry of appearance a party other than the applicant files shall include the party's address or the address of the party's attorney and an e-mail and facsimile number if available.

B. Pre-hearing statements.

(1) Any party to an adjudicatory proceeding who intends to present evidence at the hearing shall file a pre-hearing statement, and serve copies on other parties or, for parties that are represented, their attorneys in the manner Subsection A of 19.15.14.1211 NMAC provides, at least four business days in advance of a scheduled hearing before the division or the commission, but in no event later than 5:00 pm mountain time, on the Thursday preceding the scheduled hearing date. The statement shall include:

- (a) the names of the party and the party's attorney;
- (b) a concise statement of the case;
- (c) the names of witnesses the party will call to testify at the hearing, and in the case of expert witnesses, their fields of expertise;
- (d) the approximate time the party will need to present its case; and
- (e) identification of any procedural matters that are to be resolved prior to the hearing.

(2) Any party other than the applicant shall include in its pre-hearing statement a statement of the extent to which the party supports or opposes the issuance of the order the applicant seeks and the reasons for such support or opposition. In cases to be heard by the commission, each party shall include copies of all exhibits that it proposes to offer in evidence at the hearing with the pre-hearing statement. The commission may exclude witnesses the party did not identify in the pre-hearing statement, or exhibits the party did not file and serve with the pre-hearing statement, unless the party offers such evidence solely for rebuttal or makes a satisfactory showing of good cause for failure to disclose the witness or exhibit.

(3) A pre-hearing statement filed by a corporation or other entity not represented by an attorney shall identify the person who will conduct the party's presentation at the hearing and include a sworn and notarized statement attesting that the corporation's or entity's governing body or chief executive officer authorizes the person to present the corporation or entity in the matter.

(4) For cases pending before the commission, the commission clerk shall disseminate copies of pre-hearing statements and exhibits to the commission members.

C. Motions for continuance. Parties shall file and serve motions for continuance no later than 48 hours prior to time the hearing is set to begin, unless the reasons for requesting a continuance arise after the deadline, in which case the party shall file the motion as expeditiously as possible after becoming aware of the need for a continuance.

19.15.14.1212 CONDUCT OF ADJUDICATORY HEARINGS:

A. Testimony. Hearings before the commission or a division examiner shall be conducted without rigid formality. The division or commission shall take or have someone take a transcript of testimony and preserve the transcript as a part of the division's permanent records. Any person testifying shall do so under oath. The division examiner or commission shall designate whether or not an interested party's un-sworn comments and observations are relevant and, if relevant, include the comments and observations in the record.

B. Pre-filed testimony. The division director may order the parties to file prepared written testimony in advance of the hearing for cases pending before the commission. The witness shall be present at the hearing and shall adopt, under oath, the prepared written testimony, subject to cross-examination and motions to strike unless the witness' presence at hearing is waived upon notice to other parties and without their objection. The parties shall number pages of the prepared written testimony, which shall contain line numbers on the left-hand side.

C. Appearances pro se or through an attorney. Parties may appear and participate in hearings either pro se (on their own behalf) or through an attorney. Corporations, partnerships, governmental entities, political subdivisions, unincorporated associations and other collective entities may appear only through an attorney or through a duly authorized officer or member. Participation in adjudicatory hearings shall be limited to parties, as defined in 19.15.14.1208 NMAC, except that a representative of a federal, state or tribal governmental agency or political subdivision may make a statement on the agency's or political subdivision's behalf. The commission or division examiner shall have the discretion to allow any other person present at the hearing to make a relevant statement, but not to present evidence or cross-examine witnesses. Any person making a statement at an adjudicatory hearing shall be subject to cross-examination by the parties or their attorneys.
