

1 MR. JONES: Let's call the hearing to order this
2 morning. This is Docket No. 14-08. This is the Examiner
3 Hearing for Thursday, May 1st, 2008. I'm William V. Jones.
4 David Brooks and Terry Warnell are here with me today. David
5 is going to be the legal examiner.

6 First, let's call for continuances and dismissals.

7 On the first page, Case 14099 is continued to
8 May 15th.

9 Case 14116 is continued to either June 12th or
10 June the 26th.

11 MR. BROOKS: Let's continue that one to June the
12 12th. We haven't heard yet from one of the attorneys. We can
13 continue to June 26th. And we can continue it again if that
14 proves to be the case.

15 MR. JONES: Okay. It's continued to June 12th.

16 And the next case, Case 14062 is continued to
17 May 15th.

18 Page 2, Case 14102 is dismissed.

19 Case 13940, does anyone have a suggestion on that?

20 MR. BRUCE: Mr. Examiner, Jim Bruce, representing
21 Pride Energy Company in this matter. I did speak yesterday
22 with Mr. Carr, who's obviously my opponent, and he said the
23 well is being plugged as we speak. And that's the only issue
24 in this case. So he said he was going to continue it. I guess
25 somebody forgot to get a lawyer to the Division and continue it
