**STATEMENT OF CASE**

**APPLICANT**

Application seeks an order approving a centralized surface waste management facility in Sections 19 and 30, Township 17 South, Range 30 East, Eddy County, New Mexico. Applicant will place drilling pit material, recycled caliche roadbed or drill pad material, remediated hydrocarbon-impacted soils and topsoil into an existing caliche pit in accordance with sound engineering practices. The intended result is to then return the land and vegetation to a condition approximating or equal to that which existed prior to the construction of the caliche pit without posing a threat to human health or the environment. Fresh ground water, if present, is at a depth of more than 250 feet below land surface. Said location is approximately 1.5 miles west of Loco Hills, New Mexico
