Dear Mr. Trujillo:

In response to your request after the hearing and to your Inspection of Public Records request dated June 23, 2008, sent to OCD records custodian, Lawrence Romero, I am sending herewith the following:

Copies of all e-mails as requested in your records request that I have been able to locate. I know of no others, but am forwarding your request to our IT section to see if any others can be identified.

Also attached are copies of the administrative non-standard location (NSL) applications that Approach, LLC filed for their proposed Sena No. 2 and Sultemier No. 1 wells. The Division will take no further action on these applications inasmuch as Mr. Hall stated on the first day of the hearing (June 20) that Approach was withdrawing these administrative applications as unnecessary.

If you have questions or other concerns, please feel free to contact the undersigned.

Very truly yours,
