Dear Mr. Dyer:

Your letters of May 4, 2006 and August 1, 2006 together with revised exhibits "A" and "B" requesting our approval to expand the boundaries of the Bennett Ranch Unit area have been received. The Commissioner of Public Lands hereby grants you preliminary approval to expand the Bennett Ranch Unit boundaries to include an additional 2,780.19 acres of Federal and State lands.

Preliminary approval is given with the understanding the there will be no unleased acreage within the boundaries of the proposed expanded area. Preliminary approval should not be construed to mean final approval of this agreement in any way and will not extend any short-term leases, until final approval and an effective date have been given.

When submitting your expanded unit agreement for final approval, please submit the following:

1. Application for final approval by the Commissioner stating the tracts that have been committed and the tracts that have not been committed.
3. All ratifications from the Lessees of Record and Working Interest Owners. All signatures should be acknowledged by a notary and one set must contain original signatures.
4. Amended Order of the New Mexico Oil Conservation Division (OCD) Case No. 11394, Order No. R-10527. Our approval will be conditioned upon subsequent favorable approval by the OCD and the Bureau of Land Management (BLM).
5. A copy of the BLM's approval to expand the Bennett Ranch Unit boundaries.
6. Please submit two copies of revised Exhibits "A" and "B" to the Unit Agreement.
