Dear Mr. Floyd:

This office has reviewed the unexecuted copy of the unit agreement which you have submitted for the proposed East Hobbs (San Andres) Unit Area, Lea County, New Mexico. This agreement meets the general requirements of the Commissioner of Public Lands who has this date granted you preliminary approval as to form and content.

It is our understanding that no fresh water will be used for injection in this project.

When submitting your agreement for final approval, please submit the following:

1. Application for final approval by the Commissioner setting forth the tracts that have been committed and the tracts that have not been committed.
