

Magruder Field

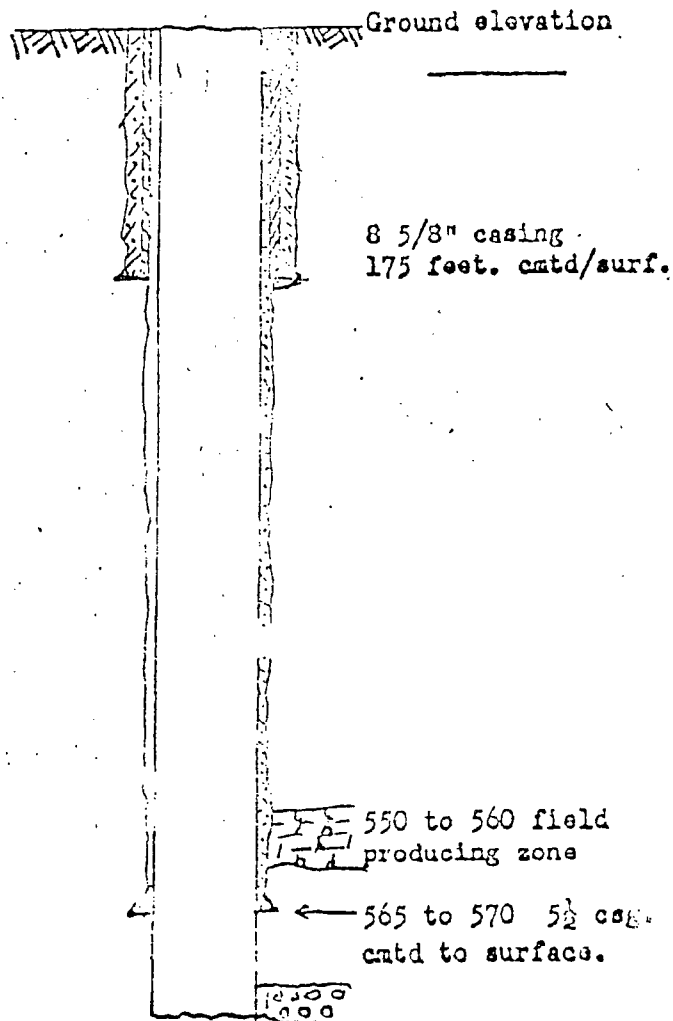

W. 1/4 Sec. 1, T. 1N, R. 1E, S. 10N

Case No. 5753

Order No. R 5217 as amended

✓
"(2)

- (b) Schematic drawing of proposed disposal well to show casing, tubing, and depth of well and porous zones.

It is proposed to use the next salt water zone, below the field producing zone, for disposal of produced water.
