to Hearing for Compulsory Pooling
C&K Petroleum, Inc. - Shipp 27-B #1 well

Re: Administrative Overhead Rates

Oil Conservation Division Order No. R-7094 dated October 7, 1982, approved the following rates for C&K Petroleum, Inc.-Shipp 27 #2 well located in SE/4 SE/4 of Section 27, T-16-S, R-37-E, to be drilled to test the Strawn formation:

Drilling Rate: \$4180/month

Producing Rate: 423/month

Therefore, C&K Petroleum requests the approval by the Division of identical administrative overhead rates for the Shipp 27-B #1 well.
