Re: NMOCD Case No. 14287; Application of Energen Resources Corporation for Creation of the Carracas Canyon Production Area and for Exception to the Well Location Provisions of the Special Rules and Regulations for the Basin-Fruitland Coal Gas Pool, Rio Arriba County, New Mexico

Dear Sir or Madam:

This will advise that Energen Resources Corporation ("Energen") has filed an Application with the New Mexico Oil Conservation Division for Applicant for an order creating the Carracas Canyon Production Area and providing for an exception to the well setback location provisions of the Rules and Regulations for the Basin-Fruitland Coal Gas Pool authorizing well locations within 10 feet of section, quarter-section, or interior quarter-quarter section lines or subdivision inner boundaries in conformance with Rule 7(a)(2) of the pool rules for the pool including wells to be drilled in and adjacent to participating areas within the production area, but no closer than 660 feet from the outer boundaries of the production area. The proposed production area is comprised of the following lands located in Rio Arriba County, New Mexico: All or portions of the following sections in Township 32 North, Range 4 West: Sections 8 through 36; all or portions of the following sections in Township 32 North, Range 5 West: Sections 10 through 16, Sections 21 through 27, Sections 34 through 36; and all or portions of the following sections in Township 31 North, Range 5 West: Sections 1 and 2. The subject lands are located in the immediate vicinity of Carracas, New Mexico.

Re: NMOCD Case No. 14287; Application of Energen Resources Corporation for Creation of the Carracas Canyon Production Area and for Exception to the Well Location Provisions of the Special Rules and Regulations for the Basin-Fuitland Coal Gas Pool, Rio Arriba County, New Mexico

Gentlemen:

This will advise that Energen Resources Corporation ("Energen") has filed an Application with the New Mexico Oil Conservation Division for Applicant for an order creating the Carracas Canyon Production Area and providing for an exception to the well setback location provisions of the Rules and Regulations for the Basin-Fruitland Coal Gas Pool authorizing well locations within 10 feet of section, quarter-section, or interior quarter-quarter section lines or subdivision inner boundaries in conformance with Rule 7(a)(2) of the pool rules for the pool including wells to be drilled in and adjacent to participating areas within the production area, but no closer than 660 feet from the outer boundaries of the production area. The proposed production area is comprised of the following lands located in Rio Arriba County, New Mexico: All or portions of the following sections in Township 32 North, Range 4 West: Sections 8 through 36; all or portions of the following sections in Township 32 North, Range 5 West: Sections 10 through 16, Sections 21 through 27, Sections 34 through 36; and all or portions of the following sections in Township 31 North, Range 5 West: Sections 1 and 2. The subject lands are located in the immediate vicinity of Carracas, New Mexico.

A copy of the Application is enclosed.
