RE: West Loco Hills Grayburg #4 Sand Unit
Eddy County, New Mexico
Ratification

Dear Record Title Owner:

EnerVest Operating LLC is the operator of this unit that was put together in the early 1960's. you are listed as the record title owner of one or more of the federal leases in the unit. It is our intention to do a new water flood project on this old unit to increase production and revenue. The enclosed Amended Unit Agreement does not change your participation, if any, in the unit or your revenue interest in the proceeds. The BLM requires that we seek the ratification of the Record Title holders of the federal leases in the unit whether they have any operating rights or not. Most of you have operating rights in the other zones that are currently held by your production or production from the unit. We request your cooperation in our efforts to continue this unit.

For those not previously sent a copy, a copy of the Amended Unit Agreement is enclosed with the ratifications. Please sign have it notarized and return the ratification to me in the enclosed envelope. Thank you for your cooperation.
