Case No. 14302 – Application For a Compliance Order Against Slayton
Resources, Inc.

Case No. 14302 is scheduled to be heard on April 16, 2009.

Mr. Paul Slayton of Slayton Resources, Inc., has informed undersigned counsel that the State Com No. 1 (30-005-60302), the subject of the compliance application, has been returned to production this month. Undersigned counsel would like to continue this case to the May 28, 2009 docket so that he can determine whether the well has been brought into compliance or not. Mr. Slayton does not oppose the continuance.

Undersigned counsel respectfully requests that the matter be rescheduled for the hearing docket set for **May 28, 2009** to allow him to verify the well's return to production.

Sincerely,

A handwritten signature in black ink, appearing to read "Sonny Swazo".
