

1 MR. JONES: Let's go on the record this
2 morning. This is March 31st, 2009. This is Docket
3 Number 11-09, Examiner Hearing. I'm William B. Jones.
4 David Brooks is going to be the legal examiner today, and
5 Terry Warnell is an engineer, assisting.

6 Let's first call the continuances and
7 dismissals that I know about. On page 2 of the docket,
8 Case 14295 is continued to April the 16th. Case 14296 is
9 dismissed. Case 14282 is continued to April 30th.

10 Now, the Number 3 case, Case 14162, I think
11 that one has been dismissed, also. It was taken under
12 advisement months ago, and there was a -- from what I see
13 in the case file for that one, Richardson had an
14 objection, and then they no longer -- they sent a letter
15 saying they no longer object, so that case will be -- was
16 already taken under advisement, so it will be processed.

17 On page 3, we'll hear those cases. On page 4,
18 Case 14300 is continued to April 16th. Case 14301 is
19 continued to April 16th. Case 14269, continued to April
20 30th. Case 14271 is continued to April the 16th.

21 Any other continuances or dismissals?

22 MS. MACQUESTEN: Mr. Examiner, Gail
23 MacQuesten on behalf of the OCD. We request a
24 continuance of the first case on the docket, Case 14293,
25 the application for a compliance order against M-T

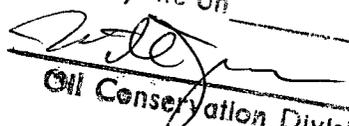

3/31/08 Henry WVS

1 Petroleum, Inc. They have nearly completed all of the
2 work we requested in that application, and we would like
3 to continue the case until April 30th to give them time
4 to complete the work. We hope to be able to dismiss it
5 at that time.

6 MR. JONES: Any other changes or
7 continuances or dismissals? Okay. With that, we'll
8 continue Case 14293 to April 30th.
