**Re: NMOCD Case No. 14323; Application of Chesapeake Energy Corporation for  
Cancellation of a Permit To Drill ("APD's") issued to COG Operating LLC,  
Eddy County, New Mexico**

Dear Mr. Ezeanyim:

As discussed yesterday, I understand the June 2, 2009 hearing on the above-referenced Application will be continued to a special hearing date to be determined on consultation among the hearing examiner and counsel for the parties.

This matter will need to be continued and re-advertised in any event because the Notice (Docket 20-09) contains conflicting descriptions of the geographic location of the subject lands.

I would be happy to attend a pre-hearing conference with you, Division counsel and Mr. Kellahin.

Very truly yours,

J. Scott Hall
