Dear Bill

This case was heard October 1. I do not yet have the transcript.

The published advertisement has the wrong case number. It refers to Case 14379. I do not, however, regard that as a fatal error. My concern is that it does not reference Robert J and Miriam Leonard Trustees, from whom there is no green card attached to the affidavit. I recall those persons were discussed at the hearing, but do not recall what was said.

What is the status concerning notice to the Leonards.

Sincerely

David
