Re: Case No. 14054, Application of the New Mexico Oil Conservation Division for a Compliance Order Against Kimlar Oil Company, Eddy County, New Mexico.

Dear Mr. Ezeanyim:

The above-referenced matter is currently scheduled to be heard on October 15, 2009 at 8:15 a.m. I am requesting that the case be continued to the ~~November 12~~, 2009 hearing docket. Operator Kimlar Oil Company has indicated that it is currently awaiting the arrival of release prevention equipment and will install it once it arrives. The additional time will allow the Oil Conservation Division to confirm Kimlar's installation of a satisfactory release prevention system. On October 6, 2009, undersigned counsel spoke with Becky Hill about the continuance and she did not oppose it.

Sincerely,

Sonny Swazo
OCD Assistant General Counsel
