Dear Mr. Fesmire,

I am writing as a party of record to request a De Novo hearing in Case #14329 to appeal Order# R-13201 which was issued on December 16, 2009, concerning the application by Anadarko Petroleum Corporation to construct an acid gas injection well at the San Juan River Gas Plant in Kirtland, NM.

The Order and information concerning the appeal closing date were not provided to me in a timely manner after Order #R-13201 was issued. I consequently tried to inquire on Friday, January 15, 2010, as to the status of the case but was not able to reach the office by phone or email. With this Monday's holiday closing, it was this morning before I received information that the appeal closing date was Saturday, January 16, 2009.

Under these circumstances where I had not received the timely information needed as a party of record, I respectfully ask that my request for a De Novo hearing be granted.

Sincerely,

Kris Dixon
