STATEMENT OF THE CASE

APPLICANT:

In CASE 14431, Range Operating New Mexico, Inc. seeks to amend Division order R-12444 and to authorize the expansion of this centralized facility with additional acreage and wells including common tank batteries, surface commingling, off-lease measurement and storage for its SCB3B Battery and Sales Point Project, Eddy County, New Mexico. Applicant seeks to amend Order R-12344 for its SCB 5B Battery and Sales Point located in Unit G of Section 23, T23R, R28E for a project area and wells within parts of Section 13, 14, 23 and 24 of this township.

In CASE 14432, Range Operating New Mexico, Inc. for a centralized facility with an off-lease measurement, storage and sales point including surface commingling, Eddy County, New Mexico. Applicant, seeks an order granting an exception to Rules 19.15.12.10.C NMAC and 19.15.23.9 NMAC, for its SCB 5B Battery and Sales Point located in Unit L of Section 13, T23R, R28E for a project area and wells within parts of Section 11, 12, 13 and 14 of this township. The applicant further seeks the adoption of an administrative procedure for the expansion of this facility including the addition of other wells and production from other pools.

The area for Case 14431 is on the south side of the Pecos River while the area for Case 14432 is on the north side of the Pecos River

In order to save time, a consolidated presentation can be made because the key facts are similar in both cases and the witness is the same. Applicant requests a separate order be entered in each case.
