**Subject:** Case No. 14425

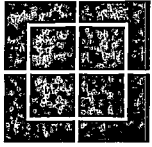

Gary:

Case No. 14425 originated as a result of objections received from Gerald D. Mathis, President of Mathis Land and Cattle, and the OCD for failure to comply with the water-flood project permit conditions. Incidentally, Mr. Mathis and OCD have withdrawn their objections regarding this application. Appropriately, this case should therefore be dismissed and your client's application should be remanded back to the administrative process.

Please request a dismissal of this application, and ask your client to submit a complete IPI application to be reviewed administratively. The application should include adequate Step-Rate-Tests. Please let me know if you have any questions. Thank you.

Richard
