Contract: 040463 Lease: A650267

Dear Sir or Madam:

Please find enclosed REVISED Participating Area schedules for the 4th - 8th Dakota expansions. The acreage stated in tract 21 was incorrect; therefore, the total participating area acres and the Tract Participating Factors were incorrect also. Pursuant to Section 11(a) of the above referenced Unit Agreement, **CONOCOPHILLIPS, as Unit Operator**, has determined that the following wells are capable of producing unitized substances in paying quantities from the Dakota formation, thereby should be admitted to the Dakota Participating Area. Pursuant to the BLM letters supplied with the earlier schedules, the wells listed below have been deemed commercial.

The schedule describes the Participating Areas and show the percentage of unitized substances allocated to the tracts according to the ownership within the tracts.

ConocoPhillips would appreciate consideration of these expansions by written response. Please contact the undersigned at (505) 599-4030 if there are any questions regarding this matter. Copies of this letter and attachments are also being furnished to the working interest owners.

Sincerely,

Dawn Howell, CPLTA
Land Analyst
