Application of EGL Resources, Inc. for pool expansion
or in the alternative pool creation, Lea County, New Mexico

Re: NMOCC Cases 13048 and 13049 (de novo)
Order R-11962

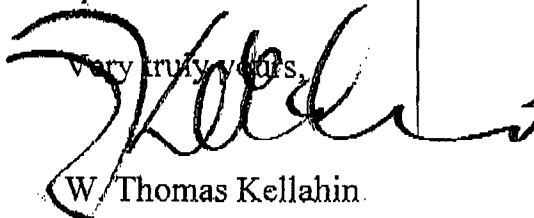

- (1) Case 13048: Application of Devon Energy Production Company,
L.P. for compulsory pooling, Lea County, New Mexico
- (2) Case 1304: Application of EGL Resources, Inc.
for compulsory pooling, Lea County, New Mexico

Dear Ms. Leach:

I have been on vacation in Africa from April 9 to May 9, 2004. Upon my return, I find a letter dated April 16, 2004 from Mr. Hall requesting data and his Reply pursuant to EGL's Motion to Dismiss. Late yesterday afternoon, I received Mr. Hall's Motion to Compel.

During my absence, my answering machine and E-mail advised to call Mr. Bill Carr who was covering my cases during my absence. I have verified with Mr. Carr that Mr. Hall never call about this case.

On behalf of Devon, I request that we be allowed until Tuesday at 5:00 pm, May 18, 2004 to file Devon's response to all of this.

Very truly yours,

W. Thomas Kellahin
