STATEMENT OF THE CASE

OPPOSITION OR OTHER PARTY:

Robert Westfall opposes the Application due to the adverse effect it may have on his interests in the proposed co-mingled zones. Mr. Westfall is a royalty owner in all formations underlying a portion of Sections 4, 5, and 9, Township 29 N R6 W N.M.P.M (San Juan County). ConocoPhillips is the operator of the San Juan 29-6 #64M DK; San Juan 29-6 #64 MV NC; San Juan 29-6 #62 MV NC; San Juan 29-6 #259 FC NC; San Juan 29-6 #54 MV NC; San Juan 29-6 #216 FC NC; and the San Juan 29-6 #206 FC NC wells. As represented by ConocoPhillips, Mr. Westfall's percentage royalty interests are significantly different in the Mesa Verde, Fruitland Coal and Dakota formations. Applicant's proposal to employ a new method for allocation of production between co-mingled zones in wells drilled in the future may have an adverse effect on his respective royalty interest to the extent that the new method allocates more production to a zone in which he has a smaller royalty interest.
