**Application of Energen Resources Corporation  
for allowable reduction, West Lovington Strawn Unit,  
Lea County, New Mexico. Case No. \_\_\_\_\_**

Gentlemen:

On October 8, 1998, Yates Petroleum Corporation and Hanley Petroleum, Inc. ("Hanley-Yates") filed their above-referenced application. On March 4, 1999, Energen Resources Corporation ("Energen") filed its above-referenced application. By letter dated March 4, 1999 Energen requested that its application be consolidated with the Hanley-Yates application. Energen also requested that the consolidated case be set for hearing before the Oil Conservation Commission.

The Hanley-Yates and Energen applications will be consolidated as Case No. 12086. However, the consolidated case will be set for hearing before an Oil Conservation Division hearing examiner.

Best regards,

Director
